Record films may have to be borne in mind. The cinema Boards [illegible] no idea has been given to the financial implications of the proposal. It is also stated that many of the theatre owners have 5.5.37 4/5/37 been consulted in the matter [illegible]

The proposal of the Board seems to be a laudable one and may be approved. A new sound film or a gramophone record may be used for the purpose. Instead of making this a Condition in the license the theatre owners may be persuaded to give effect to this proposal by the D.S.P. who is the president of the Board. If this proposal is approved necessary action will be taken to make a record of the police band.

(Chief Secy.) D.S.P's proposal may be adopted.

I have the honor to enclose herewith an extract from the Proceedings of the meeting of the Cinematograph Board held on 5-4-1937 in the matter of making arrangements to secure the singing of the National Anthem of Mysore at the conclusion of shows in the Cinema Theatres in the State. The suggestion made by the Board is a very good one and is calculated to demonstrate feelings of loyalty and devotion to the Throne of Mysore and the person of His Highness the Maharaja and on that account deserves every consideration.

At present almost all the films exhibited in the State are made outside the State and it would therefore be difficult to get the Mysore National Anthem introduced as a part of the original film. Either a new sound film going to another or a gramophone record for the purpose may be got prepared and all the theatres required to put it on at the end of each show. For this purpose permissi may be obtained for the Palace Band or Orchestra to play for the film or record.

If Government approve of the suggestion, steps wil

In view of the general desire that the conclusion of all cinema shows in the State should be marked by the singing of the Mysore National Anthem and in view also of utilising such occasions to inculcate a spirit of devotion and loyalty to the throne and person of His Highness the Maharaja, it is recommended that steps may be taken to get a sound film of the Mysore National Anthem recorded and to require Cinema Theatres to play it at the conclusion of every show in the State and that for this purpose. Government may be approached to get the Palace Band to play for a suitable record.
